### ARTWORK 1983 - 2007

Back issues of this leading professional journal, providing a national and international perspective on a range of development models used in community based arts practice are available.

#### **artwork**

- documented projects and examples
- the evolving practice of community arts
  - critical debate
- education and advocacy tool for community cultural development

**COST: \$10.00**

(includes GST) + postage & handling \$5.00 within Australia, \$10.00 all other countries

### Fourth Pillar of Sustainability

Culture's essential role in public planning by Jon Hawkes for the Cultural Development Network (Vic)

Cultural vitality is as essential to a healthy and sustainable society as social equity, environmental responsibility and economic viability. In order for public planning to be more effective, its methodology should include an integrated framework of cultural evaluation along similar lines to those being developed for social, environmental and economic impact assessment.

**Cost: \$25.00**

(includes GST) + postage and handling \$5.00 within Australia, \$10.00 all other countries
